

# Melville area encapsulates image of Prairies

Saskatchewan, a province of unparalleled beauty, has become a magnet for vacationers wishing to explore its wide open spaces, view with marvel its fascinating wildlife, absorb its rich heritage, or simply enjoy the warmth and hospitality that's become our trademark.

Melville and area, situated on the edge of the Parklands, encapsulates the enduring image of the Prairies. The golden fields of wheat gently swaying in the breeze, brilliant sunsets without equal anywhere and the horizons that last forever all serve to make the time you spend with us a memorable experience.

Whether you enjoy a communion with nature by camping under the stars, the relaxing atmosphere vacation farm or lakeside resort, or the hospitality of fine hotels, Melville and the surrounding area has much to offer.

The Qu'Appelle Valley, flanking the southern edge of the region, draws visitors with its multitude of recreational opportunities. Swimming, boating, fishing, golf, hang-gliding, camping, hiking, exploring. There's almost no limit to

the activities and events for active vacationers and those seeking a more leisurely holiday.

The area's rich history is preserved in museums in various communities - the Melville Heritage Museum, Melville Railway Museum, Chopping Museum near Whitewood and the Abernethy Nature Museum, for example. Take a step back in time with a visit to the Motherwell Homestead National Historic Site and view farming as it was in the early 1900s.

Meet friends, renew acquaintances and take in one or more of the area's many sports days and community events, or enjoy a night at the theatre with community drama groups. Thrill to a colorful Indian pow-wow.

In this, our annual Melville and Area Tourist Guide, we'll provide plenty of reasons for you to make this your vacation destination. You'll discover Melville and area is a special place with an ambience all its own.

Enjoy your visit here, and sample an extra big helping of Western hospitality at its finest.

And many happy returns.
