

ShowStoppers provide opportunities for all

Melville and district comes alive in the winter months with snowmobiling.

For the snowmobile enthusiast, ShowStoppers Snowmobile Club provides opportunities to ride on some of the best groomed trails in the province.

The club grooms about 200 kilometres within a 50-mile radius of Melville, including south to Crooked Lake and north to Yorkton. In fact, the club links Yorkton and the Qu'Appelle Valley.

Last year the club added trails to Neudorf and Lemberg to the grid.

Showstoppers has a current membership of about 30 family members.

Activities include a poker derby slated for the last Sunday in January 2011 and the very popular 'Ladies Night Out' fundraising event which usually runs in conjunction with a visit from the Prairie Women On Snowmobiles.

The club also sponsors safety clinics throughout the year with Saskatchewan Snowmobile Association certified instructors.

For the average rider looking for an afternoon of family fun on the trails, there are four warmup shelters along the trails and always a friendly smile somewhere on the route.

So come out and enjoy the wintry splendor of the area and take part in one of the fastest-growing and exciting leisure time activities in the area.

Going north of Melville you can enjoy deep snow, herds of deer, elk herds, buffalo - some of the largest in Saskatchewan.

The ShowStoppers also get involved in community projects like the snow hut built for the young persons to use for sledding and mom and dad can hold wiener roasts at the Mark Lalonde Memorial Shelter.

The club also puts on a special day for the handicapped, treating them to golf cart rides, dinner at the shelter, quad rides, police cruisers, etc. for approximately 50+ people to be held sometime in early June.

SHOWSTOPPERS Snowmobile Club Snowmobile Trails

Come to Melville with family and friends to ride 200 km of well-groomed and signed trails, which have 4 warm-up shelters for your convenience.

In Melville the trails take you right to fuel, food and lodging.

From Melville you could enjoy hundreds of kilometers of trails that link us to the north, south, east and west, with our area having some of the best snow conditions and hospitality in east-central Saskatchewan

**Snowmobiles Must Be Registered*
