

# West End Resort provides everything you need

If putting up your feet at the lake is what you have in mind this summer, head out to

Round Lake in the Qu'Appelle Valley for a vacation you'll remember.

West End at the west end of the lake where the Qu'Appelle River enters can provide all the amenities you need for a totally-relaxing holiday surrounded by nature at its best.

For more than 40 years West End has been catering to vacationers and this season should see many changes which promise to make your vacation even more memorable.

The past couple years in particular have been exceptional at West End as more and more vacationers hear about the fine facilities and services available.

West End Resort houses a large number of facilities for visitors to utilize including a playground, a campground with water, power and sewer, rental cabins, and showers.

Campers will find a large number of full-service campsites available. As well, beach improvements are made on a continual basis.

The resort also boasts a convenience store which sells fishing equipment and licences, bagged ice, and fast food.

Visitors will be seeing the improvement and expansion of current resort facilities such as the boat launch, beach area and the resort's surrounding landscape. The boat launch area, in particular, will see changes including a longer extended pier.

A focal point of the resort is Maple Grove Hall which has been a popular spot for all its 40-plus years. It's been ranked as one of the top three dance floors in the province. This season, the up-to-500-person dance hall will be available for rent to anyone planning a social event such as a wedding, family reunion or anniversary.

The fishing can't be beat at West End where stocks of wall-eye, perch and northern pike keep anglers coming back year

after year. There are few outdoor treats as delicious as fresh fish and West End features a fish-cleaning facility to help get your catch quickly into the frying pan. Fish freezing is also available.

For those wanting to range a little further afield in pursuit of different pastimes Last Oak Golf Course is just a short drive west of Round Lake and features some of the most beautiful scenery around.

Interested in taking a trip back into the past? Museums are located in many of the towns within a relatively short distance from West End Resort.

## Last Oak Golf and Country Club

Nestled in the picturesque Qu'Appelle Valley is the outstanding 18-hole, championship golf course that's become a favorite with golfers near and far.

The Last Oak Golf and Country Club will make your visit there a memorable and enjoyable one, whether you're a first-timer on the course or a seasoned veteran.

Open the first week of May the course located on the Cowessess reserve stretches 6,636 yards and boasts tree-lined, irrigated fairways, and sand bunkers with the creek that meanders along 12 holes adding extra fun and challenge. The front nine features a large lake which adds immensely to the esthetics of the course.

After an enjoyable round with friends relax in the modern air-conditioned clubhouse featuring a fully-licensed dining room and lounge with VLTs. A complete pro shop can cater to all your needs with a full line of golf supplies. Golfers can get both nine and 18-hole passes, clothing, clubs, driving cart and pull cart rentals.

For your convenience there's the Cowessess strip mall nearby offering gas, groceries, a 24-hour automated teller, restaurant and laundromat.

For more information or to reserve tee times call 696-2507 or 696-3204.
