**Life outdoors is better with Mosquito Magnet®**

"Mosquito Magnet" provides 24-hour protection from mosquitoes, no-see-ums and other biting insects. Allow 4-5 weeks to greatly reduce mosquito population.  
Provides silent, odorless protection without open flames for lawns, large decks and pool areas.  
Independent tests prove that Mosquito Magnet Liberty is up to 50 times more effective than other traps.  
Also Tested by the USDA. Mosquito Magnet mimics human breath by emitting carbon dioxide. Our patented CounterFlow™ Technology is based on 12 years of scientific mosquito research.
