Yorkton Film Festival gearing up

The Yorkton Film Festival celebrates its 63rd anniversary this year and is gearing up for another great event.

This year's annual festival runs May 27-30 and provides a forum to celebrate short film production in Canada culminating with the Golden Sheaf Awards ceremony. There will be something for everyone - films, workshops and events alongside talented Canadian filmmakers!

Festival organizers invite public participation at a number of events throughout the four-day event:

On Thursday, Festival goers can attend the Kickoff Screening from 6-10 p.m. at the Painted Hand Casino. The public is invited to attend the double feature screening of "Rust" and "Last Train Home" with the filmmakers in attendance.

This year, the Festival will partner with the Yorkton Lions Club to present Lobsterfest at the Yorkton Wildlife Federation Clubhouse at York Lake featuring a Lobster supper and entertainment. Tickets are \$50 each and available at the Festival office (non-shellfish meals are also available).

Mini-cinema and programmed screenings are held throughout the Festival at the Godfrey Dean Cultural Centre and are no charge for the public to attend.

The Festival and the Yorkton Business Improvement District are partnering for a Downtown Barbeque on Saturday noon to 2 p.m. at the Godfrey Dean Cultural Centre. Enjoy some great food, entertainment and watch some of the best short films in Canada.
